Additional Information

Local Service: SMTS reserves the right to schedule your pickup and return time based on our daily passenger list. You should always be prepared to leave up to one hour early and prepare for up to an additional hour on the return time, as well.

Long Distance Service: Riders need to plan to be on the vehicle all day. This service is provided as a group. All riders go together and return home together.

SMTS provides additional transportation beyond the service outlined above. It may be possible for you to “ride share” if your appointment is outside our schedule for that given day. Please ask our Coordinator before assuming that we cannot help with your need.
